CHANGE TO OMXH25 INDEX: RAUTARUUKKI WILL BE REMOVED, VALMET ADDED LATER ON

NASDAQ OMX has announced that Rautaruukki Plc (RTRKS) will be removed from the OMX Helsinki 25 index effective on July 28, 2014.

The index will consequently contain equities of 23 companies until a new one is added into the index, which according to NASDAQ OMX will take place at the next semi-annual review effective on August 1, 2014. Then Valmet Corporation (VALMT) will be added and the number of equities will be 24, as currently.

Seligson & Co OMX Helsinki 25 Exchange Traded Fund UCITS ETF tracks this index and will make the corresponding changes.
